

AboveTARGET.com Price List

Effective date: September 1, 2008. Prices are subject to change without notice. Prices are applicable in the Nordic Countries. For prices outside of Nordic Countries, contact your local Reseller.

Basic version:	43, 00 EUR / named user per month.
Invoicing option	7,80 EUR / named user per month
NOKIA Communicator Option:	7,80 EUR / named user per month.

Account opening:	100,00 EUR
Training and conversion services:	based on offer

License fee is payable in advance for a minimum period of 3 months.

A discount of 5 % is applicable for customers who want to pay annually in advance.

If new users are added, the rental fees are invoiced for 1-6 months in advance (or 1-12 months in advance) to synchronize the invoicing to the original order. The 5 % discount is applicable also for customers with annual payments types.

If the number of named users exceed 10 users, following discounts apply:

Users 11-20	10 % discount
Users 21- and above	20 % discount

Applicable VAT will be added to invoice as well as a handling charge of 10, 00 EUR per invoice. The customer is responsible for paying any bank charges due to money transfer between foreign and Finnish banks.

Interest for overdue payments: 13 % per annum. ADSOTECH Finland reserves the right to charge an additional reminder charge for each reminder of overdue payment. ADSOTECH Finland reserves also the right to terminate the ASP service temporarily until an overdue payment has been received.
